

CHILD TAX CREDIT MONTHLY PAYMENTS

(Ms. SCHAKOWSKY asked and was given permission to address the House for 1 minute.)

Ms. SCHAKOWSKY. Madam Speaker, it is an honor to be with you today and to tell everyone how excited I am that on July 15 checks are going to be arriving at the homes of families with children who have been struggling for a year and a half, and many have really come to the brink because of the pandemic that we are facing.

This is the child tax credit that is actually going to reduce child poverty by half in the United States of America. It was part of the American Rescue Plan, which we passed in January, and now it is going to come to help people in the form of a check. These payments provide poor, working- and middle-class families with meaningful tax relief.

In my district, over 70 percent of children will benefit from the expanded credit; over 100,000 families in total. This is the result of our work to make sure that families are no longer suffering because of the pandemic.

HONORING GUY DANELLA ON HIS RETIREMENT

(Ms. TENNEY asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. TENNEY. Mr. Speaker, I rise today to honor New York Mills Police Officer Guy Danella, who retired from law enforcement after 23 years this past month.

Guy, a native of my hometown of New Hartford, began his service in law enforcement in 1998, with the Oneida County Sheriff's Department as a corrections deputy. During that time, Guy realized he wanted to continue his career as a police officer and became a deputy sheriff with the road patrol in 2000, where he spent 2 years on the DWI patrol.

In 2004, Guy began his career with the New York Mills Police Department, where he would serve for the next 17 years. During his service with New York Mills, Guy became a field training officer, helping to mentor new officers, and was honored with a number of service awards, including the Meritorious Service Award, Exceptional Service Award, and the Patriot Award.

It was an honor to meet with Guy and his amazing daughter, Alex. I hope she fulfills her dream to go to law school someday.

Guy, we thank you for your many years of service to our wonderful community and for helping to train our next generation of heroes. Our community is truly grateful.

AMATEUR RADIO SERVES AN IMPORTANT PURPOSE

(Mrs. LESKO asked and was given permission to address the House for 1

minute and to revise and extend her remarks.)

Mrs. LESKO. Mr. Speaker, I rise today to honor the important contributions of amateur radio operators in Arizona and across the Nation.

Throughout our Nation's history, amateur radio has served an important purpose. From providing a means of communication in times of crisis, to assisting emergency operators in natural disasters, amateur radio operators are an important part of the communities across our country.

Arizona is home to at least 23,000 amateur radio operators and hundreds of amateur radio groups and clubs. This week, the American Radio Relay League will host their annual field day, where thousands of amateur radio groups across the country will prepare for future crises.

Since 1933, amateur radio operators have practiced the rapid and effective deployment of radio communications equipment through these field day events.

I am honored to recognize the important contributions of amateur radio operators, and I wish them a safe and effective field day this weekend.

RECOGNIZING OZZIE FLETCHER

(Ms. MALLIOTAKIS asked and was given permission to address the House for 1 minute.)

Ms. MALLIOTAKIS. Mr. Speaker, today I rise to tell the story of Ozzie Fletcher.

Seventy-seven years ago, on D-day, June 6, 1944, 22-year-old Osceola "Ozzie" Fletcher was working as an Army crane operator on Omaha Beach when he was hit by a German missile, leaving him with serious wounds on his leg and head.

Despite the injuries he sustained that day, Ozzie was overlooked, in fact, denied a Purple Heart simply because of the color of his skin. At the time, our forces were segregated, where Black soldiers could not serve alongside White soldiers.

The Chairman of the Joint Chiefs of Staff learned of Ozzie's story, sending the Army on a 2-month-long fact-finding mission.

This weekend I was honored to attend the ceremony at Fort Hamilton Army Base in my district in Brooklyn, New York, when an historic wrong was corrected and Ozzie was finally awarded the Purple Heart he earned more than seven decades ago, as the Nation observed Juneteenth. This recognition of Ozzie's service was long overdue.

I have great and profound appreciation for his service during World War II and his acts of bravery on that fateful day that changed the course of our world's history.

After the war, Ozzie served as a sergeant with the NYPD, a community relations officer in the Brooklyn District Attorney's Office, and later retired to become a social studies teacher in New York City public schools.

Ozzie has spent his entire life giving back to our country and the residents of New York City, and I am happy to see him finally get the recognition he deserves.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mr. HIMES). Pursuant to clause 8 of rule XX, the Chair will postpone further proceedings today on motions to suspend the rules on which the yeas and nays are ordered.

The House will resume proceedings on postponed questions at a later time.

ENHANCING STATE ENERGY SECURITY PLANNING AND EMERGENCY PREPAREDNESS ACT OF 2021

Mr. PALLONE. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 1374) to amend the Energy Policy and Conservation Act to provide Federal financial assistance to States to implement, review, and revise State energy security plans, and for other purposes.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 1374

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Enhancing State Energy Security Planning and Emergency Preparedness Act of 2021".

SEC. 2. STATE ENERGY SECURITY PLANS.

(a) IN GENERAL.—Part D of title III of the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.) is amended by adding at the end the following:

"SEC. 367. STATE ENERGY SECURITY PLANS.

"(a) IN GENERAL.—Federal financial assistance made available to a State under this part may be used for the implementation, review, and revision of a State energy security plan that assesses the State's existing circumstances and proposes methods to strengthen the ability of the State, in consultation with owners and operators of energy infrastructure in such State, to—

"(1) secure the energy infrastructure of the State against all physical and cybersecurity threats;

"(2) mitigate the risk of energy supply disruptions to the State and enhance the response to, and recovery from, energy disruptions; and

"(3) ensure the State has a reliable, secure, and resilient energy infrastructure.

"(b) CONTENTS OF PLAN.—A State energy security plan described in subsection (a) shall—

"(1) address all fuels, including petroleum products, other liquid fuels, coal, electricity, and natural gas, as well as regulated and unregulated energy providers;

"(2) provide a State energy profile, including an assessment of energy production, distribution, and end-use;

"(3) address potential hazards to each energy sector or system, including physical threats and cybersecurity threats and vulnerabilities;

"(4) provide a risk assessment of energy infrastructure and cross-sector interdependencies;
